Server Administrator Trainee

Nov 2021 - May 2022

IPSR Solution Limited Kochi

- A program facilitated to provide hands-on experience in System ,Cloud Administration led by Tech Support division of IPSR. During the internship, gained the following skills.
- Server Configuration for Website/Web Apps, Server Hardening, Server Tuning, etc.
- Server Monitoring and Troubleshooting, Shell Scripting, Git, Mail server, DNS and FTP
- Hardware and Networking
- AWS Cloud Computing
- IP Addressing & Subnetting

Skills

- Docker
- Terraform
- AWS Code Pipeline
- Github
- Apache Configuration
- MySQL
- Postgres SQL
- AWS Lambda
- OpenVPN
- CPanel

Education

Electrical and Electronics Engineering

2014 - 2018

Kannur University

Global Certification

RHCSA

2022- 2025

AWS Solution Architect Associate

2024 - 2027

Achievements

AWS Knowledge: Architecting Badge
